

1. **Email me!** My address is lance@webel.net (and my website is <http://webel.net>).
2. **Call me!** It's much cheaper for you to call internationally (1.5 cents/minute) than it is for me (55 cents/minute). You can buy the cheapest and easiest calling card for China at www.callingcards.com. Just follow the instructions, then call my apartment at 011-86-738-868-0369. Remember, China is 12 hours ahead of Ohio! And if you're in China, you can call my cell phone at 135-0738-0074.
3. **Send something!** Just print out the label below and attach it to your letter or package before bringing it to the USPS (not UPS, FedEx, or DHL!). The USPS has a Global Priority envelope that's under \$15 and is delivered in under 2 weeks!
